**SUBJECT: OBSTRUCTION OF FEDERAL GOVERNMENT FUNCTION (CRIMINAL INVESTIGATION INTO ALLEGATIONS OF FRAUD AGAINST THE U.S. GOVERNMENT) BY CURRENT/FORMER DEPARTMENT OF JUSTICE (DOJ) GOVERNMENT ATTORNEYS AND “PROTECTED” MEMBERS OF THE COUNCIL OF THE INSPECTORS GENERAL ON INTEGRITY AND EFFICIENCY (CIGIE) IN VIOLATION OF 18 U.S.C. §1505; 18 U.S.C. § 1510; 28 U.S.C. § 530B; 5 C.F.R. § 2635.101(A)/(B); AMERICAN BAR ASSOCIATION (ABA) MODEL RULES OF PROFESSIONAL CONDUCT RULE 8.4(C)/RULE 8.4(D); AND 31 U.S.C. § 3730(A)/(B)**

The Honorable TODD W. BLANCHE,

1. On 20 January 2025, President DONALD J. TRUMP issued [Presidential Executive Order 14147: Ending the Weaponization of the Federal Government](#) formally acknowledging his concerns on the current state of Federal Government wrongdoing:<sup>1</sup>

a) Executive Order 14147 establishes that it is now official policy of the United States to **identify** and take appropriate steps to **remedy** prior **misconduct** by the Federal Government related to allegations of weaponization directed **against** the American public.

b) Several **CIVILIAN** Federal Whistleblowers have exercised their First Amendment right to **petition** the Federal Government for **redress** of grievances, appropriately disclosing instances of fraud, waste, abuse, and corruption occurring within the U.S. Government to senior officials and “**protected**” members of the Council of the Inspectors General on Integrity and Efficiency (CIGIE).<sup>2</sup>

c) Additionally, numerous **FEDERAL** Employee Whistleblowers have exercised their First Amendment right to **petition** the Federal Government for **redress** of grievances while also fulfilling their regulatory obligations under [[5 C.F.R. § 2635.101\(b\)\(11\)](#)], requiring all federal employees, as a condition of federal employment, to report fraud, waste, abuse, and corruption to government officials and/or “**protected**” members of the CIGIE.

2. On 05 February 2025, Attorney General **PAMELA JO BONDI** released Attorney General Memorandum: **Restoring the Integrity and Credibility of the Department of Justice (DOJ)** establishing the DOJ Weaponization Working Group (WWG), which is currently chaired by **EDWARD J. MARTIN Jr.**, the current U.S. Pardon Attorney and former “Interim” U.S. Attorney for the District of Columbia (USA-DC), see Enclosure (1).<sup>3</sup>

3. Despite delivery of over **8-years** of documented disclosure on serious DOJ government attorney wrongdoing, leveled by **numerous** civilian & federal whistleblowers there continues to be an active intra-agency effort to obstruct independent & objective investigation into criminal wrongdoing by current/former DOJ government attorneys, see Enclosure (2) for government attorney statutory/regulatory demands, and Enclosure (3-9) for examples of civilian/federal employee criminal disclosures **NOT INVESTIGATED** by DOJ government attorneys.

4. On 24 March 2025, **TIMOTHY V. SHINDELAR** filed a Qui Tam Whistleblower case, on behalf of civilian and federal employees, in the United States District Court for the District of Columbia (USDC-DC), submitting over **200+ pages** of whistleblower documentation.

5. The evidence, supplied by multiple civilian and federal workers (**witnesses**), alleges criminal acts committed by current/former DOJ government attorneys (**perpetrators**) involved in subversion of justice, civil rights violation, and fraud against the U.S. Government (**victim**).

6. On 27 May 2025, Assistant U.S. Attorney (AUSA) **CHRISTOPHER C. HAIR** (PA Bar 3306656),<sup>4</sup> Civil Division, U.S. Attorney Office District of Columbia (USAO-DC), improperly claimed in a federal motion to the U.S. Federal District Court District of Columbia (USDC-DC), that he represented **JEANINE FERRIS PIERRO** (NY Bar 1387455) as the “Interim” U.S. Attorney for the District of Columbia (USA-DC) prior to “Interim” USA Pierro being sworn into office on 28 May 2025 by President **DONALD J. TRUMP**.

7. Despite Federal District Judge **AMIR HATEM MAHDY ALI** giving Assistant U.S. Attorney (AUSA) **CHRISTOPHER C. HAIR** 60-days to conduct federal investigation into the allegations of multiple civilian & federal workers leveling criminal allegations against DOJ government attorneys, AUSA Hair acknowledged to the court that the purpose for sealing a qui tam complaint for 60-days is “*for the government to investigate the allegations therein. 31 U.S.C. 3730(b)(3)*” while also acknowledging “... *there is nothing for the Government to investigate*”:

a) AUSA Hair intentionally **declined** to conduct **investigative** action into allegations, from multiple federal whistleblowers, properly leveled against current/former DOJ government attorneys engaged in defrauding the U.S. Government.

b) USA Hair requested that Federal District Judge **AMIR HATEM MAHADY ALI** unseal Federal Whistleblower Qui Tam case (1-25-cv-00866-AHA Sealed) and dismiss Federal Whistleblower Qui Tam case (1-25-cv-00866-AHA Sealed).

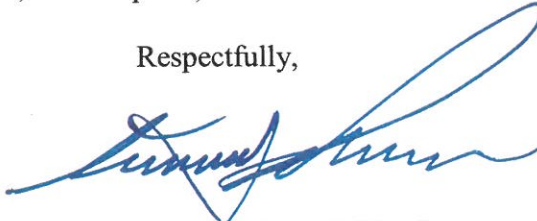

8. Given the serious concerns regarding wonton violation of federal criminal statutes, Presidential Executive Order 14147 (**Ending the Weaponization of the Federal Government**), and Attorney General Memorandum (**Restoring the Integrity and Credibility of the Department of Justice**), there is a compelling reason for Attorney General **PAMELA JO BONDI** to IMMEDIATELY appoint a DOJ Special Counsel to address internal DOJ wrongdoing and reprisal leveled against civilian/federal employee whistleblowers, and:<sup>5</sup>

a) Objectively protect Department of Justice (DOJ) institutional interests.

b) Ensure accountability for current/former government attorneys involved in civil rights violations, whistleblower reprisal, and improper performance of official government attorney duties.

c) Provide timely RESTORATION for civilian and federal employees who have suffered reprisal by government attorneys for simply exercising the First Amendment Right to petition the government for redress of grievance (reporting fraud, waste, abuse, or corruption).

**CORE FACTS:** The policy of the U.S. Government (USG) is transparency achieved via the Freedom of Information Act (**FOIA**) & accountability achieved via federal (**Criminal & Administrative**) investigation of allegations of criminal and/or administrative wrongdoing:

- Transparency and accountability in government is achieved by the programs and operations of the agencies
- Federal Inspectors General (FIGs) are responsible for promoting the economy, efficiency, and effectiveness of the programs & operations conducted within their assigned agency
- Congress maintains the exclusive Constitutional authority to conduct oversight of the Executive Branch's agency programs & operations
- On 20 January 2013, the U.S. Congress ordered the Chairperson of the Council of the Inspectors General on Integrity and Efficiency (CIGIE) to appoint a Lead Inspector General for Overseas Contingency Operations (OCO) & develop a joint strategic plan to conduct comprehensive oversight over all aspects of the contingency operation (P.L. 112-239 126 STAT. 1851)
- The Council of the Inspectors General on Integrity and Efficiency (CIGIE), is a self-regulating sui generis "entity" established by Congress, currently operating within the Executive (**Article I**) & Legislative (**Article II**) branches of government, tasked with addressing integrity, economy, and effectiveness issues that transcend the authority of government agency leadership; while also, ensuring that "investigation" of criminal & administrative allegations leveled against members of the CIGIE are "contained" within the CIGIE "protecting" the new class of bureaucrats given lifetime Congressional (**Article I**) political appointment
